

Milan Area Schools' Focus Statements

Milan Area Schools will provide a learning environment that will continuously improve on achievement as measured by local, state, and national assessments.

Milan Area Schools will provide a school climate that fosters high expectations, a positive attitude, and an atmosphere of diversity, acceptance, trust, and responsibility.

Milan Area Schools will strive to develop a communication system that will engage all stake holders.

Milan Area Schools will strive to keep the district financially solvent while maintaining a quality educational environment and a 10% fund balance.

District/Superintendent Priorities

Create 21st Century Learners Through Project Based Learning (PBL)

- Incorporate Project Based Learning Throughout the District (2015)
- Increase Community Understanding of 21st Century Skills, PBL, and the MCIS (2015)

Improve Early Reading Proficiency

- Provide K-5 Teachers with Additional Literacy Support (2016)

Improve Vertical Alignment

- Align Instructional/Curriculum Strategies (2015)
- Improve Building Transitions (2015)

Improve the Understanding of the Diversity of the District

- Engage an External Diversity Study (2016)
