

Milan Area Schools
Additional Information Needed from School of Choice Families Only

Transportation will be provided to District Schools of Choice students within our district boundaries using the following criteria:

- The pick up and drop off location must be from the home of a friend or relative living within Milan Area School District, or one of our Existing Schools of Choice bus stops.
- If you have been assigned to an existing stop your service will continue. (Am & Pm Only)
- If you are **not** using your stop please contact the Transportation office to verify.
- **We can no longer reserve seats for students whom only ride occasionally.**
- We must receive written verification on the form below signed by the parents and the person from within our district where the student will be transported.
- The written verification must include the address and phone number. Each request will be verified by phone. On a first come first serve basis as long as our bus capacity is not exceeded.

To be completed by parents/guardians:

My child is enrolled in Milan Area Schools through District Schools of Choice and I understand transportation is not included with Schools of Choice from my home. I am requesting transportation for the following children based on the above criteria:

The address I request they be transported from is:

I understand that they will be assigned to a bus stop at that address using the same criteria as any other student. I also understand that Milan Area Schools do not allow students to walk out of the Milan Area School district to their homes and expect that students will be given reasonable care and shelter at the above address.
